

Jagiellonian University team presents the results of GENERA

Researchers from the Institute of Sociology of Jagiellonian University in Krakow (dr Paulina Sekuła, dr Justyna Struzik, dr Ewa Krzaklewska and Ewelina Ciaputa) gave several talks on GENERA and the results of interviews conducted among European physicists (you can download the presentation “Does physics have a gender? [here](#)).

The speeches were given at:

8/03 Gender in Physics Days in Krakow, Jagiellonian University in Krakow, Poland
